7. The Mat Chat for this week is: Proper Self Talk: Have you ever caught yourself saying things like “I can’t), Or” I’m just not good” or anything that is not positive for your well being? Self talk is very important for us to be mentally healthy. Just like the saying, we are what we eat; we are, what we think about ourselves. Instead of saying “ I can’t” say “I have trouble with”. Instead of” I’m not good”, try saying “I am getting better with”
What can you use to improve your self talk?

Attitude of Gratitude: Part of positive self talk is to be grateful for what we have in our life. Food to eat, bed to sleep in, family who loves and takes care of me, are just a few. When things at are our worst, instead of going to wrong, bad thinking, that’s the time we should look back and see what we do have in our life, no matter how small or big the thing is. What do you have in life to be grateful for? _____
