The tournament is a great event for students to participate in. We have been practicing for over a month with the students on their forms, techniques and sparring skills. The student learns how to present themselves in a group, with public speaking. They learn to perform under pressure in a positive way. And they are rewarded for their effort. This is a mandatory event for all the students. Please arrive in your clean uniform and belt. We only have this event twice a year. If you have any questions, please text or call Mrs. Williams at 559-433-7148. If you're available To help, please text Mrs. Williams. We can use help with snack bar, time & scorekeeping, & cleanup☺
